

Recycle the following elsewhere in Orange County

Bring to 24-Hour Drop-off sites and Solid Waste Convenience Centers

- Corrugated Cardboard

Bring to Solid Waste Convenience Centers only

- Household Batteries • Motor Oil • Antifreeze
- Auto & Boat Batteries • Oil Filters • Electronics

Small amounts of the following materials are also accepted in the motor oil recycling tank: kerosene, diesel fuel, gear oil, Coleman fuel and transmission fluid. **NO gasoline, solvents, parts cleaner or mixed gas.** Bring these to Household Hazardous Waste Collection.

Visit www.co.orange.nc.us/recycling/ for Drop-Off Site and Solid Waste Convenience Center hours and locations.

Household Hazardous Waste Collection

Open six days each week, Monday – Friday, 10am - 6pm, Saturday 7:30am - 12 noon at the Orange County Landfill on Eubanks Road in Chapel Hill. Bring automotive fluids, paint, pesticides, herbicides, cleaners, fluorescent tubes and other items that might be hazardous in your home. Businesses that produce less than 220 pounds of hazardous waste per month may use this collection. Call for details.

Electronic Recycling

Take working computers (Pentium III or better), to the PTA Thrift Store in Carrboro (942-6565) to be reused locally. Call or visit our website for a list of other charities. Unwanted or non-functional electronics, old computers and televisions can be recycled at the Orange County Landfill or any Solid Waste Convenience Center. Call or visit our website for a complete list of accepted items and hours of operation.

Reduce Waste in the First Place!

- Unwanted items in good condition can go to local thrift stores or one of the four Salvage Sheds located at the Solid Waste Convenience Centers on Eubanks Road, Ferguson Road, High Rock Road, and Walnut Grove Church Road.
- Get a “Junk Mail Terminator Card” and reduce unwanted mail.
- Bring your own bag to the store and mug to the coffee shop.
- Purchase products in bulk to save money and excess packaging.
- Avoid single use items such as disposable plates or paper napkins.
- Contact us for indoor or outdoor composting information.

Be sure to recycle right!

DO NOT LEAVE PLASTIC BAGS OR GARBAGE

If you collect your recyclables in bags, remove them from the bags before sorting them into the carts. Discard plastic bags elsewhere. Plastic grocery bags can be reused or recycled at many grocery stores but NOT AT RECYCLING SITES.

Brown paper bags can be recycled with corrugated cardboard, or in “ALL PAPER” Cart.

Shredded paper must be placed in a paper bag to be recycled with “ALL PAPER”.

CORRUGATED CARDBOARD IS BANNED FROM YOUR GARBAGE!

This is corrugated cardboard and MUST be recycled.

No pizza boxes or wax-coated boxes. Put those in your regular trash. See your manager about corrugated cardboard recycling at your complex.

DO NOT RECYCLE GLASS EXCEPT BOTTLES & JARS

No plates, cups or other ceramics • No Pyrex™ or Corningware™ • No window glass or mirrors

The 3-R Fee assessed annually to properties in Orange County funds the County’s public recycling programs. The 3-R Fee is tiered based on the type of service provided. The Basic Fee pays for universal services, such as drop-off sites, electronics recycling, household hazardous waste collection and educational outreach. 3-R Fees charged in addition to the Basic Fee, fund Multifamily and Curbside Recycling and are assessed where those programs are offered. Please use your recycling site responsibly!

RECYCLE. It's EASY!

You can recycle these items at your multi-family recycling site.
PLEASE SEPARATE MATERIALS PROPERLY INTO THESE TWO CATEGORIES:

Bottles, Cans and Jars

Plastic Bottles Water, soda, condiment, liquor, shampoo, detergent, milk, juice & drink bottles. A bottle has a neck smaller than its base. Discard lids and rinse bottles clean. Labels OK.

Flatten to Save Space

NO lids, plastic toys, plastic trays, prescription containers, wide-mouth containers such as tubs, cups, or buckets.

Metal Cans Aluminum and steel/tin food or beverage cans. Must be empty. Labels OK. Rinse aluminum and steel, and flatten.

Aluminum Foil Includes aluminum pans and trays. Must be clean.

Aerosol Spray Cans Must be empty. DO NOT puncture or flatten. Discard plastic caps.

Glass Bottles & Jars

Clear, brown, green and blue. Discard lids and rinse containers clean. Labels OK.

NO dishes, cookware, light bulbs, window glass, mirror glass, pyrex, mugs, drinking glasses, (even clear ones).

Combine all recyclable bottles, cans, and jars in the labeled cart. Flatten what you can to save space.

All Paper

Mixed Paper Junk mail, office paper, paper bags, dry and frozen food boxes, milk & juice gable-top cartons, paper tubes and other clean dry paper that tears.

Shredded paper must be in a paper bag.

NO tissue, paper towels, waxy or laminated paper, aseptic drink boxes or other paper that you can not tear.

NO corrugated cardboard! Ask your apartment manager for recycling locations or bring to a recycling drop-off site.

NEW

Magazines and Catalogs

Inserts OK. Keep clean and dry. Remove plastic bags or rubber bands.

Newspapers

Inserts OK. Keep clean and dry. Remove plastic bags or rubber bands.

Phone Books

Keep clean and dry.

DO NOT leave plastic bags in recycling carts.

DO NOT remove recyclable materials from carts. They are the property of Orange County.

Combine all mixed paper, phone books, newspapers and glossy magazines in the labeled cart.

Your complex's recycling carts are labelled roll carts usually located by trash dumpsters but not at every dumpster site. Check with your property manager or Home Owner's Association to locate the carts – then USE the site closest to you!

Think of the resources, energy and landfill space you'll save!
